# Welcome Message

## Welcome to Glasstech Asia and Fenestration Asia 2025!

It is my great pleasure, as CEO of MMI Asia, to warmly welcome you to this year's leading event for the glass and fenestration industries in dynamic BSD City, Indonesia. We're excited to showcase cutting-edge advancements, sustainable solutions, and groundbreaking designs that are shaping the future of our industry. This year's program features insightful seminars, new collaborations, and countless opportunities to connect with global professionals and innovators.

To our exhibitors, sponsors, speakers, and attendees—thank you for your commitment to advancing our industries. Your support and enthusiasm continue to make Glasstech Asia and Fenestration Asia an unparalleled success.

Let us embark on this journey together to explore, innovate, and collaborate. Here's to a transformative and impactful experience at Glasstech Asia and Fenestration Asia 2025!

# GLASSTECH ASIA FENESTRATION ASIA

## ASIA FACADE AND GLASS CONFERENCE

In partnership with Indonesian Facade Association (PERAFI) and Indonesian Flat and Safety Glass Association (AKLP), the three-day Conference will gather architects, engineers, developers, and industry leaders to explore design innovation, sustainable materials, advanced glass technologies, and digital tools shaping Indonesia's buildings of tomorrow. Guided by the themes Harmonizing Nature and Architecture, Shaping Indonesia's Skyline, and Tomorrow's Vision, the conference will provide practical insights, forward-thinking solutions, and real-world case studies.

## INNOVATION PITCHING FORUM

The Innovation Pitching Forum offers a unique opportunity to discover pioneering solutions and breakthrough technologies in the glass and facade industries. Attendees can explore new advancements and connect with potential partners, gaining firsthand insights to innovative solutions and practices in glass and facade technology.

# Event Highlights

## CONFERENCE

In partnership with Indonesian Facade Association (PERAFI) and Indonesian Flat and Safety Glass Association (AKLP), the three-day Conference will gather architects, engineers, developers, and industry leaders to explore design innovation, sustainable materials, advanced glass technologies, and digital tools shaping Indonesia's buildings of tomorrow. Guided by the themes Harmonizing Nature and Architecture, Shaping Indonesia's Skyline, and Tomorrow's Vision, the conference will provide practical insights, forward-thinking solutions, and real-world case studies.

## MEET & MATCH LOUNGE

The Meet and Match Lounge is a dedicated space for high-impact networking at the exhibition. Powered by Jublia, our platform lets visitors and exhibitors explore the floor plan, bookmark conferences, and most importantly, schedule meetings with prospective leads and buyers. Through Jublia, attendees can seamlessly arrange meetings in advance and use the Meet and Match Lounge as a central meeting point for meaningful discussions.

## INTERNATIONAL PAVILION

Discover the International Pavilion at Glasstech Asia and Fenestration Asia 2025! This dynamic space features participation from over 50 countries, bringing together leading brands and companies to showcase the latest innovations in glass and facade technology. Join us to connect with global industry leaders and explore how international participation is shaping the future of glass and building solutions in Asia and beyond.

## FAÇADE DESIGN COMPETITION - FUTURE ARCOLOGIES

Architects, designers, engineers, and students are invited to reimagine Indonesia's façades using advanced materials, energy-efficient strategies, and building-integrated photovoltaics (BIPV), promoting sustainability and innovation in tropical urban environments.

# Event Highlights

## INNOVATION PITCHING FORUM

Don't miss our flagship event! The Innovation Pitching Forum is designed to spotlight cutting-edge advancements in the glass and fenestration industry. This dynamic platform gives exhibitors an exclusive opportunity to present their latest innovations to an engaged audience. More than a showcase, it is a premier networking hub where visitors, buyers, and exhibitors connect, explore, and gain insights into the latest market innovations, setting the stage for impactful industry growth.

## GLASS ALLIANCE

The Glass Alliance is a powerful network of glass associations from across Southeast Asia, dedicated to advancing the industry through collaboration and mutual support. At our show, the Glass Alliance will feature its own booth, providing a central hub where industry professionals can connect, exchange insights, and explore opportunities. This alliance not only strengthens regional standards but also showcases innovative advancements.

## GLAZING COMPETITION

A live, hands-on challenge highlighting craftsmanship, technical skills, and safety practices of façade installation teams, with participants competing in real-time, timed tasks.

## NETWORKING NIGHT (BY INVITE ONLY)

Join us for an exclusive Welcome Networking Night, a by invite-only gathering, co-hosted with the Indonesian Façade Association (PERAFI) and Indonesian Flat and Safety Glass Association (AKLP). This special evening offers a unique opportunity to connect with top industry leaders, innovators, and peers in an intimate setting.
