GLASSTECH ASIA

Glasstech Asia, part of the world's prominent trade network, is the leading BAU trade fair which serves as a highly connected platform for the glass industry in Southeast Asia.

Bringing together international experts specialising in all sectors of glass such as manufacturers, processors, and suppliers of glass machinery and accessories, Glasstech Asia provides an exclusive opportunity to meet with leading regional buyers from major markets in the ASEAN region, and network with top international connections from the BAU network. Experience strong growth in clientele base, brand exposure, networks, sales, through high profiled meetings and establish a strong foothold in one of the most dynamic and profitable regions in the world for the glass industry.

LOGO PLACEMENT

The logo must have at least 10-20px empty space border around it

If image has to be used but background is not clean enough, add a white block with slight transparency to ensure that the logo can be clearly seen. (see fig. 1)

Fig. 1

Ensure that the image background where logo will be placed has a clean (not busy) and clear colour. (see fig. 2 and 3)
